

**Job Title:** Veterinarian - High Volume, Low Cost Spay/Neuter Clinic

**Location:** Winston Salem, North Carolina

**Job Type:** Full-Time/Part-Time

---

**About Forsyth Humane Society:**

At Forsyth Humane Society, we are dedicated to improving the lives of animals in our community through compassionate care, outreach, and proactive programs. Our high-volume, low-cost spay and neuter clinic is an essential part of our mission to control the pet population, reduce euthanasia rates, and provide affordable care for underserved communities. We are looking for an experienced, compassionate, and dedicated veterinarian to join our team and make a real difference in the lives of animals and their families.

---

**Position Overview:**

As a Veterinarian at Forsyth Humane Society's High Volume, Low Cost Spay/Neuter Clinic, you will play a critical role in providing affordable, high-quality spay and neuter services to pets in our community. You will work in a fast-paced, dynamic environment, performing a high number of surgeries each day while maintaining a focus on patient safety, comfort, and overall health.

This role is ideal for a veterinarian who is passionate about animal welfare, enjoys working in a team-oriented environment, and thrives in a high-volume clinic setting.

---

**Key Responsibilities:**

- Perform high-volume spay and neuter surgeries for dogs and cats ensuring the highest standard of care.
- Conduct pre-surgical exams, post-operative monitoring, and ensure patient safety throughout the surgical process.
- Assist in clinic management by maintaining accurate medical records, including patient histories and surgical notes.
- Work collaboratively with clinic staff, including veterinary technicians, receptionists, and volunteers, to ensure a smooth and efficient workflow.
- Provide client education about spay and neuter procedures, pet care, and preventative health measures.
- Maintain a clean, organized, and safe work environment, adhering to all safety and sanitation protocols.
- Contribute to clinic goals, such as increasing the number of surgeries performed and improving overall clinic efficiency.

### **Qualifications:**

- Doctor of Veterinary Medicine (DVM) or equivalent degree.
  - Active and valid veterinary license in [State].
  - Experience in high-volume spay/neuter surgeries is preferred, but we will provide training to qualified candidates.
  - Ability to perform surgeries efficiently while maintaining attention to detail and animal welfare.
  - Excellent communication skills and the ability to work effectively with a diverse team of staff, volunteers, and clients.
  - Compassionate and dedicated to the well-being of animals.
  - Ability to work in a fast-paced, high-pressure environment while maintaining a positive attitude.
- 

### **Why Work at Forsyth Humane Society?**

- **Mission-Driven Impact:** Be part of an organization that makes a real difference in the lives of animals and the community.
  - **Competitive Salary & Benefits:** We offer a competitive salary, medical benefits, paid time off, and continuing education opportunities.
  - **Work-Life Balance:** Enjoy a supportive work environment that values work-life balance.
  - **Professional Growth:** Opportunities for additional training and skill development in high-volume surgery and shelter medicine.
-
